So long as no Event of Default has occurred and is continuing, the Debtor and each Equipment Lessee party to an Equipment Lease shall be suffered and permitted to remain in full possession, enjoyment and control of the Collateral, including without limitation the Equipment Leases and to manage, operate and use the Collateral and each part thereof with the rights and franchises pertaining to the Collateral; <u>provided</u> always that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of this Security Agreement.
- 5.02 <u>Casualty Loss</u>. 1179947 - 10 -

notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold, and the Debtor shall deliver, or cause to be delivered, possession of the Equipment to the Lender or its agents where the same may be found or at such place or places as the Lender may reasonably require. Notwithstanding anything hereunder to the contrary, so long as no Event of Default has occurred and is continuing unremedied, the original Equipment Leases delivered to the Debtor shall remain at the chief executive offices of the Debtor; provided, however, that in the event an Event of Default has occurred and is continuing, the Debtor shall provide to the Lender the original Equipment Leases or, in case originals are not available because one or more lenders have an interest in leases reflected in the same document as such Equipment Leases, duplicate copies of the Equipment Leases and the Equipment Schedules to master Equipment Leases and, in all cases, all relevant information that the Lender may request regarding all other leases and all other lenders, and if requested by all lenders with a security interest in any Equipment Lease, deliver such Equipment Leases to a trustee designated by the Lender and all the other lenders.

To the extent permitted by any such requirement of law, the Lender may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Debtor (except to the extent of surplus money received as provided in Section 6.03). In the payment of the purchase price therefor, the Lender shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Lender on account of the indebtedness hereby secured and the Lender may deliver the claims for interest on or principal of the Loans or other indebtedness hereby secured in lieu of cash up to the amount which would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Lender shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Debtor as hereinabove specified, the Lender need give Debtor only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.
- (d) The Lender may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein, granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers
